

Insightful Ramblings of a Mad Acolyte

by Randall Edmonston

The following works by Bro. Edmonston are not essays in any traditional sense of the word. They are the sort of raw, stream of consciousness flashes that come upon those who meditate deeply on spiritual teachings and principles. In preparing these documents for dissemination, I edited the hand-written pages delivered to me only slightly for spelling and punctuation, but not grammar. These are the types of notes one might find scrawled in a journal after a meditation session - incomplete sentences, wandering thoughts that jump from one insight to the next. To over-edit them would be to spoil the spontaneity and mar the genuineness. So, read the following not with the cold analysis of the intellect, but with the Heart which provides Understanding, and you may be able to catch a glimpse of the Light that first inspired those "Insightful Ramblings."

Logos for Growth

Lectionary reflections on my vision of the gift of The Holy Gnostic Bridal Chamber.

- Become Divine - as one with the Holy Spirit of the Holy Ghost.
- Spiritual prayer of the inner-most heart and of subconscious mind.
- Listen and hear of the true Voice of the Soul.
- Practice and study traditional "links or cord" of ascension through Gnosis by Logos et Christos.
- Giving of your heart of hearts over to, Love, Trust, Life, and Will to Jesus Christ.
- Prayer for others not thine self alone being answered, brings the soul of thee closer to "God" through the Son of man.
- With the marriage of oneself and Christ the "Baby God" or Divine spark within may then feed and grow (only through sacramental initiation can one truly walk this path).
- As are the paths of the tree of life and death, light and dark, nights and day are connected; as are "we" illuminated by our Lord Jesus able to learn how to walk this sacred path, initiates no longer of this world of slaves by flesh bound.
- Spirit, Thought, Dreams, insight, vision are all tools of the divine and arcane. Only with skilled use of these tools may the initiated begin to build Gnosis upon the cornerstone of our Lord. The foundational cornerstone of faith, the Holy Trinity, Arcane wisdom be found. "The Great Work"

- With this Holy luminosity, "We" initiates may see clearly in this world even in darkness; "We" walk without fear by the Lord at our side and the "Divine spark lit," We have control over "all" Beast, Demon, Angel, time and space. Walk the mystical path of the mage my brethren in the light of Gnosis, by the Lord be righteous, be true.
- The ones risen from this darkness are lifted up into the arms of our Lord Jesus and brought appeared the Kingdom of "God" the All, by "Divine Law."
- Thus I tell you, "the lost soul you bring to the spirit that they be lost no more, leads to your very salvation."
- As Daniel was tossed to the lion, (ask yourself) are we not thrown into this world? Seek "God" I say to thee brethren take Jesus as your salvation; and his name your protection against the flesh and matter of this phisical world and you shall ascend above it.
- This Baptism of Fire "Chrism" I preack to thee is key in that this Fire ignites the Divine spark within all human kind. This Holy Fire lights this mystical path of Gnosis we walk. Are we not my brethren told that the Lord moves in mysterious ways? As too shall we in spirit move.
- One must first know the darkness of this world of flesh and material matter, to seek out salvation in the celestial light of benediction.
- One must then accept the Celestial light of Christ and all it makes clear about oneself and all else to then walk through the world without falling on ones face as do the blind having not lit this Holy Fire.
- Rise up ye blind ones and see through the eyes of salvation in the Logos of our one true Lord Jesus Christ the living Son of the Father of All.

Blessed be All this reflection of Gnosis into this Holy Church.

Insightful Rambling of a Mad Acolyte

- The most sacred of things in this world are not things that
- • can be seen with the eyes of the flesh alone.
- The wise know not of their Wisdom...
- • For the Wise seek more to learn.
- The Laws of Man in this world are False, where the Laws of
- • "God" are just, for not one Law forsakes any from salvation from this "Forest of Error." If one seeks Truth.
- On the Rock that is Jesus build his Church, shall you too
- • build your house of Gnosis. "Divine Law"

- What is hidden from the unjust and ignorant, is that which is
- found by the eye and heart of the wise and just.
- The Holy anointed ones only, shall rise up from the ashes of
- this world and find eternal life without the flesh of sin immortal.
- Cast ye that flesh of sin into the fire of Baptismal flame
- "Chrism"; then quench the soul's thirst by the Baptism of Water. Then one may overcome the wickedness of worldly men, Awaken your inner Angel or "Baby God" feed the Flame of Holy light, illuminate the true self.
- To know thine true self one must live not in matter of this
- world, but live in the spirit...
Then you will truly know of thine soul that is your true being of self. "Soul Illumination"
- Mankind with only knowledge of this world and is ignorant of
- "God" shall know only death, sadness and rot. "Blind leading Blind" Hylic Man
- Mankind with knowledge of this world and knowledge of faith
- and belief in the Lord shall enter the Kingdom of "God"
"Exoteric" Hylic Man
- Mankind with only Knowledge of the Divine Holy Trinity and
- know not of this world shall find eternal life and live forever immortal as one with "God."
"Esoteric Arcane Wisdom" Pneumatic Man
- Ye teachers of Man forget not that we are only but students of
- the "God" of gods.
- Dear Brethren that have known this wisdom and Gnosis of which
- I speak here. I say to you, Do not walk amongst men as a "First" among equals, but humble thine self amongst the Lamb of God, and all of "God's" children for ye too were once ruled by the flesh of this world. And ruled over by the Dead in life and in death.
- Humbly I say rise above thine own ego of Devils and ye shall
- rise above thine own Dreams. For it is known "God's" will is of Greatness and without Pride.
- When you thirst my Brethren drink of the blood of Christ Jesus.
- And when you hunger eat of the body of Christ Jesus. But as is said... Do not become Drunk from your thirst, or become full after eating and take only what you need to live. Leave sustenance for others who also thirst and hunger, enlighten this material world with divine logos, Gnosis and light of your lamp luminate my Brethren.
- Mind you I am no prophet of Wise man, but only an Ordained
- humble servant of the "God" above all gods. As are all who seek; shall you find truth and all that is righteousness.

To know one's true self is to know God...
